I am writing this letter to inform you that I am closing my medical practice in June 2024. This has been a tough decision for me, because it has been a privilege caring for you and many others in Richardson for the past 25 years.

I was blessed to be able to return to work in 2021 after my myeloma treatment, but I have come to realize I cannot continue to run a fulltime medical practice and continue to provide the high level of medical care that you deserve.

I will continue to see patients in my office over the next few months, so please feel free to call the office to set up an appointment. Also, you may call to set up a time to come pick up medical records free of charge. After **June 6, 2024** your health records from this practice will be transferred to Morgan Records Management, LLC* to be the custodian of your medical records. You may submit a request to them

Online: MorganRecordsManagement.com > Patient Records Request > Request My Medical Records

Email: Medical@MorganRM.com

Phone: (833) 888-0061

*Please note that in accordance with applicable state law, you may be charged by them for the copying and transmittal of the records

*Also, there may be a small transition period (2-3 weeks) from the time of closing to the time Morgan Records management has access to my charts.

If you have any questions regarding any of the above, please let me know. I thank you again for the opportunity to allow me to have cared for you.

God Bless,

Tom Frank, MD
